Out of Network Acknowledgement

Pursuant to the Health Care Consumer Protection Act and in particular the "Out-of-Network Consumer Protection, Transparency, Cost Containment and Accountability Act", please be advised of the following:

You have elected to treat with a Provider in this office who is **not** a part of your health insurance plan. This is considered **Out-of-Network**. Out-of-Network benefits are a health insurance benefit enhancement for which you, as the insured, pay an additional premium. You have selected an out-of-network provider with full knowledge that the provider does not participate with your insurance plan.

Based upon your particular plan and benefits you may be held responsible for a deductible, co-insurance and/or co-pay that is higher than what an in-network provider will cost. Our standard Procedure Codes and our fees associated with them are set forth below.

90791 Consultation: $380

96130 - 96138 Neuropsychological Examination: $150 - $300 per unit; Total $2850
96130 - 96137 Psychological Examination: $150 - $300 per unit; Total $1400

90834 Individual Therapy (45 min): $200

Depending on your benefits, you may be responsible for the full cost as set forth above. Please contact your carrier should you have any questions regarding your financial responsibility.

I have read and understood the NRS/Lifespan policy for treating with a provider who is Out-of-Network.

Outpatient Mental Health Benefits

Upon scheduling your appointment with NRS/LifeSpan we advise you to verify your health insurance for your outpatient mental health benefits. Many times these benefits are quite different from your medical benefits. The information received from your insurance carrier is not always accurate and is never a guarantee of payment.

If the doctor recommends any further treatment you will need to verify what procedures are covered with your insurance carrier, as well as find out what your copay or percentage responsibility will be. While we will bill your carrier for treatment, if you cannot afford your responsibility it will be your obligation to let us know so we can refer you to another facility or clinic.

Copays are due and payable upon each visit. They are not billed to you. Should at any time you have a copay balance that exceeds $100.00 dollars and you are unable to keep up with you responsibility we reserve the right to cancel future appointments and to refer you to another facility or clinic that maybe more affordable for you.

We strongly recommend every patient to contact your carrier to obtain your outpatient mental health benefits, as ultimately you may be responsible for any balance.

I have read and understood the above information:
